All that you need to know about Finance Veda Summit: Elevating Financial Minds

Event Overview:

The Finance Veda Online Competition is a three-stage event designed to test participants' knowledge and problem-solving skills in finance. It aims to identify top talent and **offer the winners internships or live project opportunities with Finance Veda.**

Event Format:

- **First Stage: Finance Quiz:**
 - Participants will have to answer 20 multiple-choice questions related to finance within a time frame of **15 minutes**.
 - Questions will cover various topics, including accounting principles, financial markets, investment strategies, corporate finance, advanced Excel, Equity Research, and Economics.
 - Participants will submit their answers online through the Unstop platform.
 - The top **100 performers** will proceed to the next stage.
- **Second Stage: Zoom Interaction**
 - In this round, all the selected participants will be in touch with us, and we will guide you for the next exciting and challenging third round
 - We will also introduce you to what Finance Veda is all about.

Third Stage: Case Study:

- Qualified participants from the quiz stage will receive a finance case study based on project finance, equity research, and financial modeling.
- Participants will have 5 projects available, and they can select any one based on their ability. Each project carries the same marks, but yes, the one choosing the advanced project will surely have benefits.
- They will have 5 Days to analyze the case study, develop a comprehensive solution, and submit their responses.
- Case studies will be designed to assess participants' critical thinking, analytical skills, and ability to apply financial concepts to real-world scenarios.
